So glad that I can finally say goodbye to IVLE

— Comment by a CS101OS student

User-friendly and easy-to-navigate lesson plan in just 30 minutes

Lesson Plan

Too many files?
Ninja Profs?
No problem!

Workbin

Have a conversation with your classmates and tutors right inside Coursemology

Discussion Forums

40% CLICKS SAVED ON AVERAGE

Now that is a real "forum"

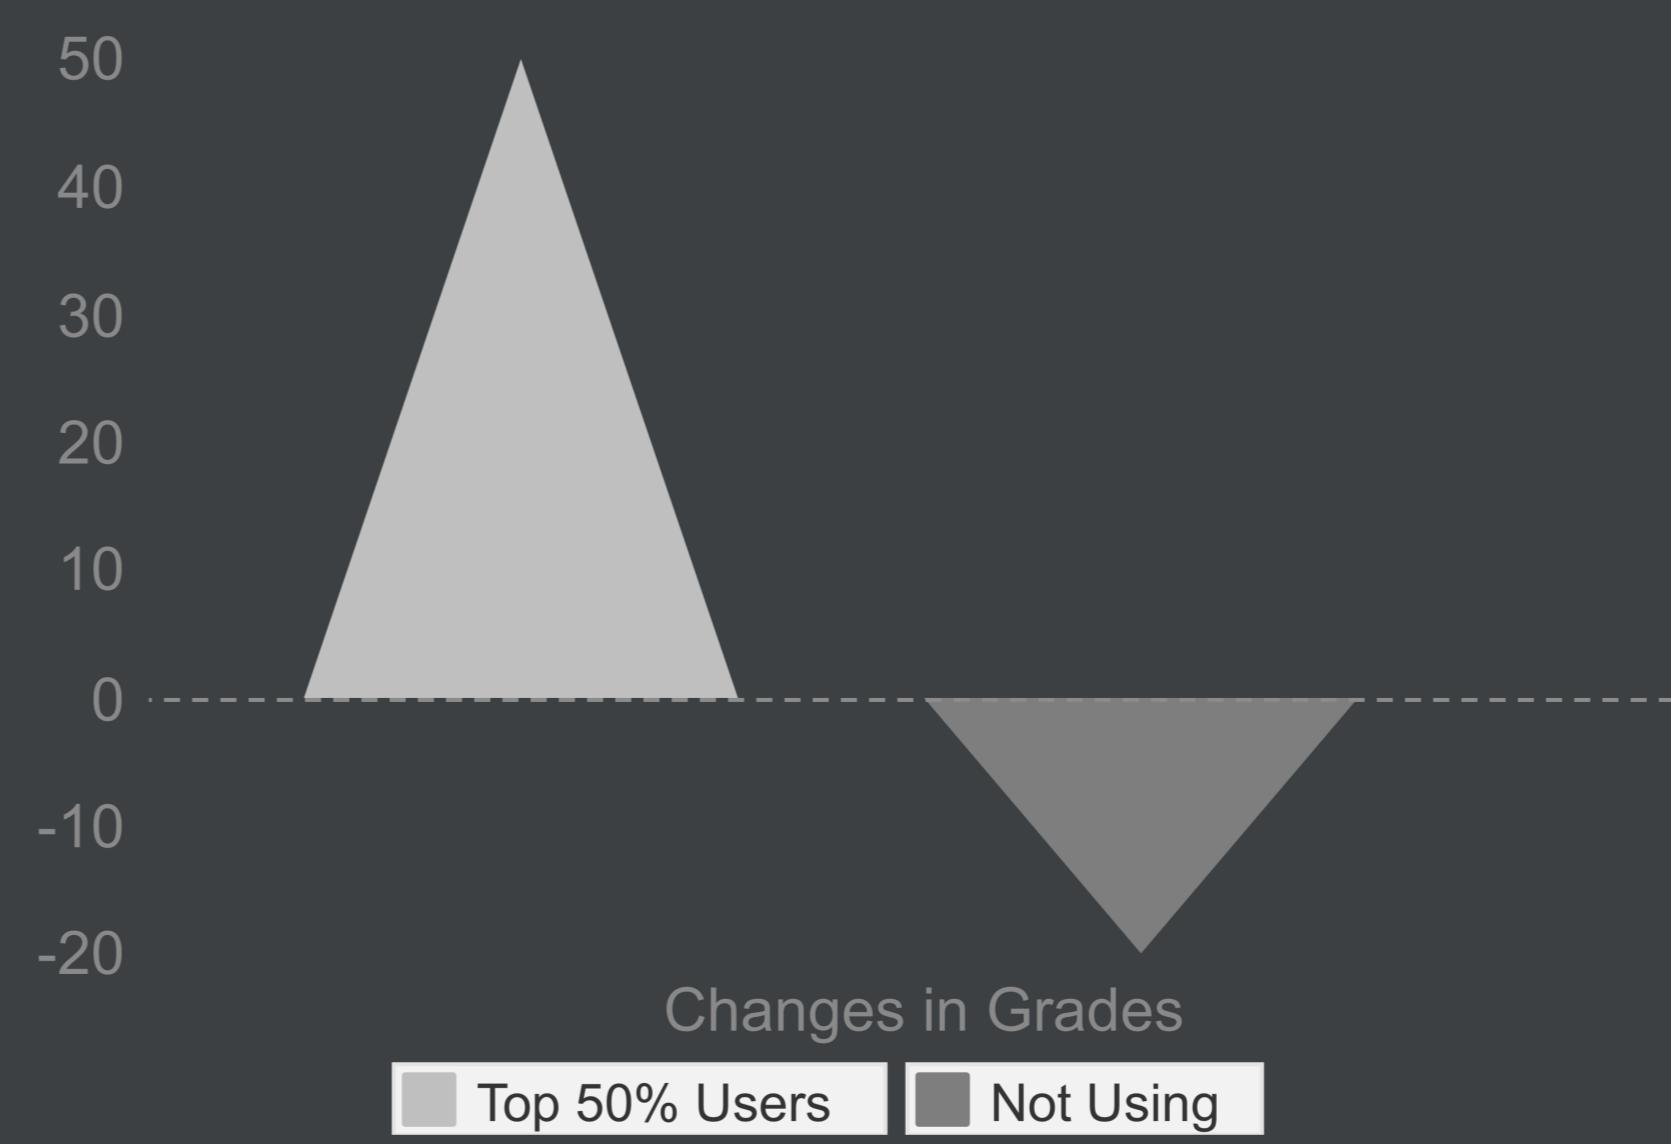

Lesson Plan looks great, I love how it lists all the due dates for assignments automatically!

Awesome!

Mark files as seen... the one thing that IVLE is really missing :)

And there is more...

Gaming for Grades

Using Coursemology in geography classes in Sembawang Secondary School shows astounding effects.
